May 4, 2018

Dear Parents/Guardians:

Starting Monday, May 7, 2018 we will only accept **CASH** to either be placed in the student's account or for daily student lunch purchases. In the past, we have had numerous problems with checks being returned due to the lack of funds; therefore, we will need to put this process into place until the end of the school year.

All negative balances must be paid to bring the student's lunch account to a zero or positive balance by the end of the school year. This is necessary due to a new government regulation.

Any money in the lunch account will roll over to be used in the next school year, with exception to graduating seniors. For graduates or withdrawing students, any existing funds over \$5.00 can be returned to parents as long as a letter requesting a refund is sent to the Food Service Director by Friday, June 15, 2018.

Another option for making payments/deposits to your child's account is through the K12 Payment Center. There is a \$1.95 fee for this service, per transaction fee that includes all the students in your family when you put funds into their account in 1 transaction. You can register and create an account for your family at www.K12PaymentCenter.com. You will need to create a user name and password; you will need your child's student ID number. If you do not have this, please give me a call.

If you are already making payments on www.K12PaymentCenter.com, this letter does not pertain to you. You can continue to make payments until the end of the year.

Thank you for your attention and understanding. If you have any questions feel free to contact me at 610-767-9811.

Sincerely,

Susan Bahnick
Food Service Director
